GALVANIZED AND POWDER COATED

Set consisting of a table and two flat or backrest benches with a steel frame and wooden slats, elegant and modern in design.

The bench consists of a 30x30 mm tubular steel frame.

The table consists of a 30x30 mm tubular steel frame, on which the slats are fixed, and four 60x60 mm L.715 mm tubular steel supports.

The seat and table top are made of wooden slats 30x40 mm W.1495 mm.

The staves can be made of pine, impregnated in an autoclave, or of fine wood.

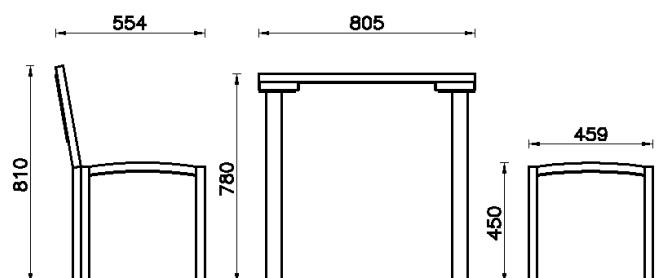

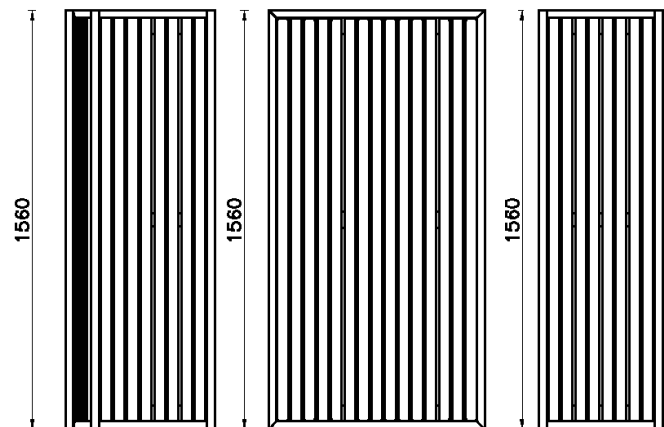

The bench and table are prepared for anchoring to the ground.

All steel parts are galvanized and painted with thermosetting polyester powders in various RAL colours.

The hardware is entirely made of stainless steel.
